This should also serve as permission to have your child transported and to receive any and all emergency health care attention needed. As you are aware; very young children are prone to mishaps. Although we will make every effort to have adequate supervision, occasionally accidents will happen. In the instance that an emergency arises we would need your permission to transport and have your child treated by a professional care giver/physician, etc. This also serves as specific permission to transport your child to and from all offsite activities. World Karate reserves the right to remove any child from the program. This is for the safety and well-being of all students and staff.
